

Offer Delivery Estimates on eRental Checkout

There is a setting that can be turned on that will trigger a popup when a user initiates adds a rental asset to their cart prompting pickup/delivery.

A screenshot of a web popup titled "Customer Pickup or Delivery?". The popup has a blue header bar with the title. Below the header, the text "Will this be for Customer Pick up or Delivery?" is displayed. Underneath, it says "If delivery, please enter the postal code for delivery." followed by a text input field containing "52722". At the bottom, there are two blue buttons: "Pickup" and "Delivery".

Customer Pickup or Delivery?

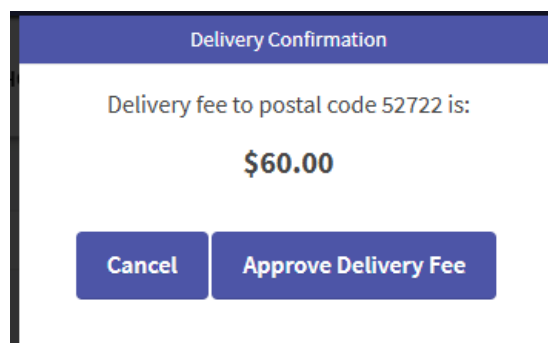

Will this be for Customer Pick up or Delivery?

If delivery, please enter the postal code for delivery. 52722

Pickup Delivery

Customers can either select Pickup, to come to the store to pick up the asset, or enter their zip code to check if you offer delivery to their area.

If the zip code entered matches a rate you have set up in integraRental, a delivery confirmation will display showing the delivery fee to the zip code.

A screenshot of a web popup titled "Delivery Confirmation". The popup has a blue header bar with the title. Below the header, the text "Delivery fee to postal code 52722 is:" is displayed, followed by the amount "\$60.00" in a larger, bold font. At the bottom, there are two blue buttons: "Cancel" and "Approve Delivery Fee".

Delivery Confirmation

Delivery fee to postal code 52722 is:

\$60.00

Cancel Approve Delivery Fee

If the zip code is not present in your integraRental settings, the customer will get a message stating you do not offer delivery to the zip code entered.

Customer Pickup or Delivery?

Will this be for Customer Pick up or Delivery?

If delivery, please enter the postal code for delivery.

Delivery may not be available for requested location.
Change the delivery location or select customer pickup

Pickup
Delivery

It is recommended to set up all of your delivery/pickup rates in **integraRental > Setup > Delivery Pickup Zones** BEFORE asking integra to configure the eRental site for the Delivery Popup.
